### ANNUAL GENERAL MEETING 2011 - POSTAL VOTING FORM

Detailed on the attached sheet is the motion being presented to the AGM for consideration together with the nominations for MYA Council membership.

To undertake a 'show of hands' vote (which is of course in the main attached to the clubs' voting numbers) on each motion at the AGM itself does seem to take some time.

You may well already, having seen and considered the reasons for the recommendations by Council, have concluded how you or your club intends to vote on the motion.

May I therefore respectfully suggest to you that even if you or your club representative does intend to be present at the AGM it would be very helpful to the conduct of the meeting and my ability to maintain an accurate record of all the votes cast if you and your club are willing to submit this postal voting form to me in advance (and in any case before 19<sup>th</sup> November at the very latest) so that I can document those votes adequately and in good order prior to the meeting itself.

If you in any case do not intend to be present at the AGM do please ensure that you remember to still send the form back to me, indicating on it how you or your Club wishes to vote on the motion and nominations listed.

For clarification, MYA clubs do not vote at the MYA's AGM on the matter of the Secretary for the IOM NCA for GBR (or indeed any other class association). This is a matter on which only the members of the relevant Association can vote at their AGM's whenever they may be held.

We look forward to seeing you at the AGM.

Yours sincerely
