There are two awards presented annually where you the members have the right to select individuals or groups to be put forward for final selection before an appointed panel. Both awards are presented at the MYA AGM.

### The Syan Award - In memory of Peter Maskell

The award has been created to recognise an Individual or group who has or have made an outstanding contribution to model yachting. Nominations can be made by Affiliated Clubs and District Councils.

A panel consisting of the President and two Vice Presidents who will assess the nominations. Nominations should be made on the form available on the MYA website and submitted to the MYA Secretary by the 1st November of the year in question.

### The Chris Dicks Award - In memory of Chris Dicks

The award has been created to recognise good model yacht design at all levels of the sport, together with successful design related model yachting projects. Any individual or group is eligible for the award and submissions can be for any element of model yacht design, from a complete boat to an innovative fitting or idea.

Submissions will be assessed on their relative merits by a panel consisting of the MYA Chairman, MYA Technical Secretary and a nominated Vice President.
