## ABBREVIATIONS

EC Executive Committee of IRSA

IRSA International Radio Sailing Association

## DEFINITIONS

The following words and phrases have these definitions in this document.

Officer	A member of the Executive Committee.
Office Holder	An Officer, any member of an EC committee, and any member of an EC sub-committee.
Work	Materials and artefacts an Office Holder produces in connection with IRSA while an Office Holder.
shall/may	In this document, the word "shall" specifies a mandatory action or procedure, while the word "may" is permissive.

## Background

While IRSA Officer Holders do not work under any form of contract, they do work as "office holders" like company Directors and members of the clergy. An Office Holder is certainly not an 'employee'. Where material is produced by an employee in the course of his employment, his employer is the owner of any copyright in the work, but this does not apply to Officer Holders. Where a person works independently he will usually retain copyright in any material he produces, and it is presumed this applies to Officer Holders.

Given these considerations, Officer Holders retain the copyright to their Work while holding office, and IRSA requires every Office Holder to licence their Work to IRSA.

The licence shall be a Creative Commons license which, in summary, requires that IRSA provides attribution to the Officer when the Work is used and shared, permits commercial use of the Work, and requires adaptations of the Work be released under the same license.

## Licence

Name of Office Holder: \_\_\_\_\_

Date: \_\_\_\_\_

The Office Holder provides to IRSA an irrevocable, world-wide, royalty-free, non-exclusive licence for all the Office Holder's Works.

The licence permits IRSA:

- To copy and redistribute the Works in any medium or format, and
- To adapt, remix, transform, and otherwise build upon the Works;

Provided:

- IRSA gives appropriate credit to the Office Holder, provides a link to the Creative Commons license (<http://creativecommons.org/licenses/by-sa/4.0/>) in the Works, and indicates if changes were made in any reasonable manner but not in any way that suggests the Officer Holder endorses IRSA or its use of the Works.
- If IRSA adapts, remixes, transforms, or otherwise builds upon the Works, IRSA may only distribute the Works under the same license as the original.
- IRSA may use the Works for commercial purposes.
- IRSA makes no additional restrictions.
