INFORMATION BULLETIN TO COMPETITORS

Finishing Time on Monday

To assist with travel on Monday the Race Officer intends to change the SSI's to read ;

Entry List, Sail Numbers, Race1 Heats and Frequency Allocation

Entries closed on 21st April with a total of 58 entries.

Sail numbers have been allocated according to entry date. Confirmed sail numbers are given in the attached List of Entries.

The allocation of boats into heats for Race 1 (Seeding Race) has been done in accordance with the procedure given in the HMS. The allocation of frequencies for Race 1 has also been made. With the size of entry there are currently 6 frequency clashes which have been separated for the Race 1 heats. You will find your allocated heat and frequency for Race 1 in the List of Entries.

Site Map and Parking at the event

A map of the facilities at Castle Semple is attached. There will be a limited number of parking places close to the sailing area which when full will require competitors to use the overspill parking. Please allow yourself sufficient time to drop off and park in the case of the use of the overspill parking site.

Access to the loch on Friday 4th May

Members of the Race Committee will be on site on Friday afternoon from 14h30 through till 18h30 and it should be possible to have access to the loch for those interested in a practice sail.

The Race Committee will also take early registration on the Friday afternoon to avoid queuing on the Saturday morning.

Registration

On Saturday registration will begin around 08h00 and run through till 09h30.

Skippers should present their valid MYA (or Overseas Association) Membership card, Boat Measurement Form and, where applicable, a Personal Sail Number Certificate.

In accordance with the Recommendations of the MYA and in addition to the requirements of the SSI's, competitors will be requested to complete a Medical Form. This document will be retained confidential for the duration of the event and shall be destroyed at the end of the event.

Boat Check Measurement

In accordance with the principle that competitors are responsible for keeping their boat within the Class Rules the Race Committee do not intend to check measure boats ahead of the competition. However the certified check weights and the weighing facilities to be used by the event measurer will be available at registration for any competitor who may wish to personally verify his boat. The Race Committee retains their right to undertake check measurement at any time throughout the event.

Evening Meals

As it is a Bank Holiday Weekend it may be difficult to book into the popular restaurants close to Castle Semple. The organising committee have therefore made provisional bookings at the following venues.

Saturday 5th May - Hungry Monk , Lochwinnoch PA12 4JF
www.cawleyhotels.com/the-hungry-monk-lochwinnoch

This popular venue only 5mins from the sailing site has been a favourite at previous events. There are 40 places available at 19h30 which will be allocated on a first come / first served basis. Additional tables may be available after 21h00.

Sunday 6th May – Bowfield Country Hotel – Howwood
www.bowfieldcountryclub.co.uk

On Sunday night the Bowfield can give us a separate dining room and will provide a 3 course meal for a fixed price of £18/person. We hope that the majority of competitors will take up on this to benefit from the social aspects of R/c Sailing Championships and get to know each other better. It will be an ideal follow up to the Wine Reception to be held at the Bowfield (See below)

The event organisers will pay any deposits to make the provisional bookings but each participant will be required to settle their bill directly.

If you want to book a place at these venues, please contact Ian Dundas Event Secretary by Saturday 28th April Latest.
