

APPLICATION FOR APPOINTMENT AS A SAIL MEASURER

Under an arrangement with the RYA the MYA is delegated authority to train and appoint Sail Measurers who will be recognised by the RYA as Official Measurers. This is subject to the training and assessment being approved by the RYA.

Background

This step is to regularise the training and appointment of measurers for radio sailing classes in the UK for the future. It also satisfies the requirement in the IRSA, IMCA, ITCA, IOMICA and MYA class rules for the **certification of sails** and other equipment to be carried out by an **Official Measurer** defined in the Equipment Rules of Sailing as below.

ERS – Section C – General Definitions

C.4.4 Official Measurer

A person appointed or recognised, by the MNA of the country where the control takes place, to carry out **certification control** and when the **class rules** permit, **certification**. An MNA may have delegated this responsibility.

NB The RYA is the Member National Authority (MNA) for the United Kingdom.

PART I

Sail Measurement Courses

Taking part in the Sail Measurement Course will allow you to learn from an expert and be assessed in order to become appointed as a Sail Measurer – this is the first step to becoming an MYA Class Measurer for which there is a separate application form.

The Sail Measurement Course is the training required to become a Sail Measurer, for any class requiring measurement to be carried out by an Official Measurer, for the MYA. If you plan to measure only sails, then you need go no further.

MYA funding

Those who want to be appointed may claim the following:

- Course fee – as yet un-known
- Travelling costs – mileage allowance at £0.35/mile (February 2020 rate)

Future Funding

MYA Council is looking at ways that continuing financial support can be given.
