

2025 MYA Scottish District DF95 Championship, 5th April 2025 hosted by Ayr Bay Radio Yacht Club at Irvine Boating Pond.

Report by Nick Slane

Fifteen skippers had entered the DF95 Scottish Championships but two late withdrawals and one technical failure on the day reduced the fleet to twelve allowing the race team to run the event as a single fleet.

Skippers were met with a bright sunny day and fresh ENE breeze that had most folk sailing on B rig and some opting for C rig as at times the breeze was overpowering the B rig and making life quite difficult for some of the less experienced skippers.

Given the challenging conditions and after a brief discussion with the skippers the race team elected to finish the event after 10 races.

Results were:

- 1st – Peter Carr, Kinghorn RSC
- 2nd – Ian Davidson, Greenock MY&PBC
- 3rd – David Belding, Ayr Bay RYC

Race Officer was Nick Slane and the race team was Patrick Johnston, Bill Fitzpatrick, Malcolm Downie and Graeme Parker all from Ayr Bay RYC.
