Nomination form for

THE CHRIS DICKS AWARD

In memory of Chris Dicks

The award has been created to recognise good model yacht design at all levels of the sport, together with successful design related model yachting projects.

Any individual or group is eligible for the award and submissions can be for any element of model yacht design, from a complete boat to an innovative fitting or idea.

Submissions will be assessed on their relative merits by a panel consisting of the MYA Technical Officer and two nominated Vice Presidents.

Nominations are requested to be made on this form and submitted to the MYA Secretary to Council 1 week prior to the Annual General Meeting.

We wish to nominate the following person for the Chris Dicks Award.
