

# Change of Ownership Declaration Form

This form should be used when a certificate ceases to be valid upon change of ownership, and if either

- the certificate cannot be found for a boat obtained by a new owner,
- or
- there is no space for change of ownership declaration on existing certificate.

*please delete as appropriate*

After correct completion of this form, the new owner shall return it to the relevant class registrar. **For IOM class please email it.** For other classes send it by post together with a stamped addressed envelope and where possible with the certificate. On receipt of these documents, the registrar may issue a new certificate.
